**Employer's Feedback Analysis**

**Academic year 2017-18**

**Number of feedback collected: 17**

Employer's feedbacks were collected from different Companies and Educational Institutes, where Alumni of Civil Engineering Department are currently working as Employee, by visiting those organizations or through E-mails.

**Major Suggestions Received:**

Students should be trained in following fields:

1. Leadership, Communication & Entrepreneurship skills.
2. Competitive Examinations for higher educations.
3. Various Commercial Engineering Softwares.
4. Industrial Works.
5. Different Civil Engineering Practices on the field.

**Actions for Corrections:**

Civil Engineering Department have already taken an initiative to train the students in above mentioned fields like Software training, Internship for third year students, Industrial visits for all classes.
