Employer Feedback Assessment

Branch of Engineering: Computer   **Academic Year:** 2017-18

Sr. No.	Feedback Parameters	Tick Your Rating					
		Excellent (5)	V Good (4)	Good (3)	Average (2)	Below Avg (1)	Rating (out of 10)
1	Fundamentals and technical knowledge	1	2				8.67
2	Communication Skill	1	1	1			8.00
3	Performance in group	1	2				8.67
4	Leadership quality	2	1				9.33
5	Planning and organization skill	1	2				8.67
						Average:	8.67

Feedback Summary

In general employers feel that students need to be trained in areas like machine learning, block chain, IOT and must work in interdisciplinary environment. Average gross salary offered to the employers as a start was 2.97LPA. Employers are willing to continue recruiting students from KKWIEER.

## Employer Feedback Analysis

### Fundamentals and Technical Knowledge

### Communication Skill

Performance in group

Leadership Quality

Planning and Organization Skill

K. K. Wagh Institute of Engineering Education and Research, Nashik.

Department of Computer Engineering

A. Y. 2017-18

Summary of Feedbacks from Industry

1. Students should work in Interdisciplinary environment
2. Machine Learning
3. Block Chain
4. IOT
5. Knowledge of Foreign Language – Japanese, German etc
6. Use of Source control tool like Github
7. Students to prepare for Technical interviews by reading book like "Cracking the Code Interview" by Gayle Laakmann McDowell
8. Students to register and actively participate in Corporate events such as TCS Codevita, Testimony, KPIT Sparkle etc
