

K. K. Wage Institute of Engineering Education & Research
Department of Civil Engineering
Alumni Feedback on Curriculum Enrichment-Brief Analysis Report

Number of Alumni Present: 115

Date: 21st December, 2019

Objective:

1. To understand opinion of alumni about departmental facilities and activities during his/her education.
2. To associate the alumni with the department to enhance teaching learning process.

Analysis of the Feedback Form:

Questionnaire:

- 1) Almost all Alumni are satisfied with Teaching and learning facility.
- 2) Alumni have given very good rating to Library and laboratory facilities and average ratings to canteen, sport and transport facilities.

Useful Subjects and irrelevant subjects in current curriculum:

- 1) Not a single subject was listed as irrelevant but a part of some subjects is considered irrelevant like study of parts of aeroplane etc in Transportation subject

Industry technology which should be included in syllabus:

- 1) Software training like Rivet, Primavera, Autocad etc., should be made compulsory.
- 2) Most of the subjects must be taught on field itself.

Interesting Suggestions:

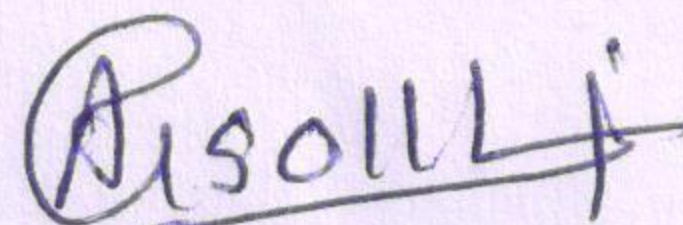

- 1) Improve the lavatories and T & P eligibility.
- 2) Number of industrial visits must be increased.
- 3) Keep such alumni meet frequently.

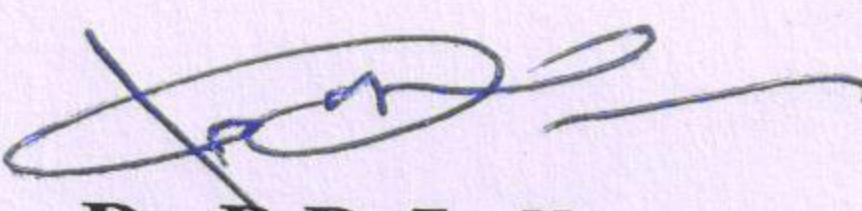

Contribution to the department:

- 1) Most of the alumni agreed to conduct Guest Lectures and Workshop.

Action taken

1. Software training is conducted like staad pro for BE students and GIS training for TE students.
2. More companies are visiting in civil department for placement.
