7-23-2020 16:45:44	2020	No	Yes	Veermata Jijabai Technologic al Institute	Depends on staff knowledge, most of the staff/teachers in college want students to do whatever they want... For example, if student is absent even 1/20 days then, staff/teacher won't allow them to sit in class, later if student complaints about the same, staff keeps it in their mind and while evaluation in orals and practicals, or written exam, they give score based on their behaviour, not skills. I have seen this happening in my college...	No	No	No	devwratneve@gmail.com
