### Alumni Feedback Analysis (AY: 2020-21)

Alumni feedbacks collected: 40

Following feedback was provided by Alumni:

- Quality of Teaching learning and Evaluation is Excellent
- Grooming activity like soft skills, Personality development are conducted and are excellent
- Laboratories, Library, Canteen, Sports and Transport facilities are excellent
- Industry Institute interaction is excellent
- Alumni feel that the final year project undertaken by the department are relevant to current industrial practices
- The training and placement activities are good. However some alumni feel that improvement is needed
- A common place where students can meet together is required
- Inplant training should be compulsory
- Less assignments and more industrial knowledge related activities and more industrial interactions should be organised

Action taken report on Alumni feedback (AY: 2020-21)

Alumni feedbacks collected: 40

Sr. No.	Suggestions	Action Taken
1.	A common place where students can meet together	A common room is provided on third floor for students where they can meet
2.	Inplant training should be compulsory	Compulsory Internship/ Inplant training of 4 to 6 weeks is included in new syllabus (2019 pattern)
3.	Less assignments and more industrial knowledge and more industrial interactions	Assignments are given as prescribed in SPPU curriculum. Compulsory industrial training/ Internships and frequent industrial visits are organised for awareness of industrial practices. Expert talks by experts and Alumni working in industry on current trends are been organised.
4.	Grooming sessions for students	Grooming activity like soft skill, Personality development are conducted at department level. Also one mentor is allotted for 20 students who takes care all kinds of problems faced by students
5.	Training and placement assistance should be increased	More T and P activities like conducting mock group discussions, mock interviews are organised for students. More companies are invited for campus recruitment
