

YEARLY STATUS REPORT - 2021-2022

Part A	
Data of the Institution	
1.Name of the Institution	K.K.Wagh Institute of Engineering Education and Research, Nashik
• Name of the Head of the institution	Prof. Dr. Keshav N. Nandurkar
• Designation	Principal
• Does the institution function from its own campus?	Yes
• Phone no./Alternate phone no.	02532221302
• Mobile No:	9922325472
• Registered e-mail	kkwieer@kkwagh.edu.in
• Alternate e-mail	knnandurkar@kkwagh.edu.in
• Address	K. K. Wagh Institute of Engineering Education and Research, Hirabai Haridas Vidyanagari, Amrut Dham, Panchavati.
• City/Town	Nashik
• State/UT	Maharashtra
• Pin Code	422003
2.Institutional status	
• Type of Institution	Co-education
• Location	Urban

• Financial Status	Self-financing				
• Name of the Affiliating University	Savitribai Phule Pune University, Pune				
• Name of the IQAC Coordinator	Prof. Nitin M.Shahane				
• Phone No.	02532221236				
• Alternate phone No.	02532221318				
• Mobile	9921236017				
• IQAC e-mail address	iqac_engg@kkwagh.edu.in				
• Alternate e-mail address	nmsahane@kkwagh.edu.in				
3.Website address (Web link of the AQAR (Previous Academic Year)	https://engg.kkwagh.edu.in/iqac_detail/index/190				
4.Whether Academic Calendar prepared during the year?	Yes				
• if yes, whether it is uploaded in the Institutional website Web link:	https://engg.kkwagh.edu.in/academic_calender				
5.Accreditation Details					
Cycle	Grade	CGPA	Year of Accreditation	Validity from	Validity to
Cycle 1	A	3.03	2018	26/09/2018	25/09/2023
6.Date of Establishment of IQAC			10/11/2016		
7.Provide the list of funds by Central / State Government UGC/CSIR/DBT/ICMR/TEQIP/World Bank/CPE of UGC etc.,					

Institutional/Department /Faculty	Scheme	Funding Agency	Year of award with duration	Amount
IT Engg. .	AICTE SPICES	AICTE	2021-22, 1 year	100000
Institute	AICTE IDEA Lab	AICTE	2021-22, 2 Years	5338000
E&TC Engg.	SPDC	AICTE	2019-20, 3 Years	1664586
E&TC Engg.	RPS	AICTE	2021-22, 3 Years	1133700
8.Whether composition of IQAC as per latest NAAC guidelines		Yes		
<ul style="list-style-type: none"> Upload latest notification of formation of IQAC 		View File		
9.No. of IQAC meetings held during the year		3		
<ul style="list-style-type: none"> Were the minutes of IQAC meeting(s) and compliance to the decisions have been uploaded on the institutional website? 		Yes		
<ul style="list-style-type: none"> If No, please upload the minutes of the meeting(s) and Action Taken Report 		View File		
10.Whether IQAC received funding from any of the funding agency to support its activities during the year?		No		
<ul style="list-style-type: none"> If yes, mention the amount 				
11.Significant contributions made by IQAC during the current year (maximum five bullets)				
<ul style="list-style-type: none"> * UG Project Policy Framing, Implementation and periodic Monitoring at Institute level. *Academic and Administrative audit *Feedback collection from all Stakeholders and Analysis * Student satisfaction survey *Training Programmes for Teaching faculty and Non-teaching staff. *MKCL LearniCo Implementation for improvement in teaching-learning 				

12. Plan of action chalked out by the IQAC in the beginning of the Academic year towards Quality Enhancement and the outcome achieved by the end of the Academic year

Plan of Action	Achievements/Outcomes
<p>Quality Enhancement of teaching learning process</p>	<p>1. MKCL LearniCo Implementation for all classes 2. Expert talk on Industry 4.0 and change in education sector by Dr. Jayesh Pai (11th Jan. 2022) 3. Expert talk on "Curriculum Design in Light of OBE" by Dr. B. N. Chaudhari (21st Feb. 2022) (No. of. Participants-100) 4. Expert talk on Alternative Assessments by Dr. Sophia Gaikwad (25th Feb. 2022) (No. of. Participants -101) 5. Expert talk on Project Report Writing Guidelines by Dr. Pratibha Nagabhushan (17th March. 2022) (No. of. Participants -78) 6. Motivational talk for non-teaching staff members on "Navi Drushti- Navi Srushti" (14/06/2022) (No. of. Participants -69) 7. Workshop on Advanced Excel non-teaching staff members (21/06/2022) (No. of. Participants -42) 8. Induction training for newly appointed faculty (17-18 August 2022) (No. of. Participants -40) 9. Psychometric Test for FE Students to identify Advanced and Slow Learners (3rd Jan to 17th Jan 2022) (Total No. of Participants-787) 10. UG Project Policy Framing, Implementation and periodic Monitoring at Institute level</p>
<p>Feedback Collection and Analysis</p>	<p>1. EndSem Teacher Feedback for all Courses 2. Student Satisfaction Survey 3. Stakeholder Feedback</p>

Application for NBA and Autonomy	1. Mechanical Department has been accredited from 2021-22 to 2023-24 (upto 30/6/2024) 2. Five departments - Chemical Engg., Civil Engg., Computer Engg., Electrical Engg. and E&TC Engg. were reaccredited from 2022-23 to 2024-25 (upto 30/6/2025) 3. MCA accredited for 2021-22 (upto 30/6/2022) 4. UGC has granted Autonomous status from 2022-2023 to 2031-2032.
Academic Administrative Audit (AAA)	Academic Administrative Audit Academic Administrative Audit (AAA) for two semesters for all Engineering departments and support sections.
Participation in Nationwide Ranking Survey	1.Participation in NIRF in 2022 2. Participation in AICTE-CII Survey 2021-22, Result is awaited 3. Participation in ATAL ARIIA Ranking of Institutions on Innovation Achievements (Institute ID: ARI-C-41256) (Recognised in the Performer Band)
Planning and Conduction of Certificate / Add-on Programs at Department level	1658 students certified in 28 courses

13.Whether the AQAR was placed before statutory body?	Yes
--	------------

<ul style="list-style-type: none"> Name of the statutory body
--

Name	Date of meeting(s)
College Development Committee Meeting	21/12/2022

14.Whether institutional data submitted to AISHE

Year	Date of Submission
2021-22	23/01/2023

15. Multidisciplinary / interdisciplinary

Faculty members from various departments try to find the possibility to carry out interdisciplinary projects by discussing the issues with faculty from other department and other institutes. A project for Geranium oil extraction was carried out by two faculty members Dr V. S. Mane & Dr. G. B. Daware, two final year students of Chemical Engineering of K. K. Wagh Institute of Engineering Education & Research and two faculty members Dr Satish Bornare & Prof. Sachin Kharade of K. K. Wagh Agriculture College. The geranium plantation was done at K. K. Wagh Agriculture College Farms (Makhmalabad, Sukhene and Bhabhleshwar Farms). The oil is extracted by using steam distillation. The oil yield from different varieties of Geranium crops of various farms were compared and studied. Market survey of Geranium oil was carried out by faculty member of MBA, Prof S. S. Parmar for selling of extracted oil.

Field Projects on Design and Manufacturing of Quad Vehicle, All Terrain Vehicle and E-Gokart were carried out by interdisciplinary teams comprising of students from Mechanical Engg., Electrical Engg., Computer Engg., E/TC Engg., Civil Engg. etc. These teams participated in various national level competitions like SAE BAJA and have won awards consistently for last five years.

16. Academic bank of credits (ABC):

The institute has received the instructions regarding implementation of Academic Bank of Credits (ABC). Head of departments informed the students about the Academic Bank of Credits (ABC) facility and have instructed them to create the Academic Bank Account on Academic Bank of Credits (ABC) portal (www.abc.gov.in). As per the Savitribai Phule Pune University (SPPU) Circular - Exam/2022/205 Dt. 15/10/2022, it is mandatory to all students to create Academic Bank of Credit id (ABC id) account before filling Exam Form Applications. Accordingly all SE/TE/BE students have registered on the portal. New login has been created for the first year students under Autonomous pattern.

17. Skill development:

Various skill development programmes are conducted through AICTE IDEA Lab. Some of the programmes conducted were - CNC Programming Workshop on 10th Dec. 2021 for 44 participants and Training on Augmented and Mixed Reality on 19th April 2022 for 15 participants.

During the academic year, 28 Certificate/Add-on courses were conducted for 1658 students in different departments.

18.Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)

Maths Club of K.K.Wagh Education Society Nashik had organized a webinar on on

The Central Library of the Institute incorporates books related to Indian Culture and Heritage based on music, yoga, Vedic Mathematics, history, Indian Constitution, drama, poetry, performing arts, architecture, Kautiliya Arthashastra and Philosophy. The library organises book exhibitions to create awareness among students and faculty. Musical concerts are also organised in association with SPIC MACAY.

India has long tradition of Sangeet and Natya Shastra. Our K. K. Wagh Education Society runs a Performing Arts College in order to promote Music and Dance tradition among the students. Our Institute organized a cultural program for member of Confederation of Indian Industry (CII) Maharashtra State Council to introduce them the traditional Indian Music. Songs based on various ragas were presented by teachers and students of performing Art College. This program was organized by K.K.Wagh Engineering College on 28th May 2022. Around 40 industry leaders attended the program and appreciated the performance of our students.

19.Focus on Outcome based education (OBE):Focus on Outcome based education (OBE):

The institute follows the guidelines provided by AICTE, New Delhi for affiliated institutes. It has well defined Vision and Mission statements which are disseminated to all stakeholders. As per these guidelines, each department follows the twelve Programme Outcomes (POs).

In addition to POs, Programme Specific Outcomes (PSOs) are defined as per the need of the programme. Each department defines its own Programme Educational Objectives (PEOs) and Course Outcomes (COs). COs are defined as per university syllabus using Blooms Taxonomy and mapped with POs and PSOs according to correlation level.

Course Outcomes are defined by Course coordinator/teacher and finalized by module coordinator, program coordinator, and head of department. The course coordinator/teacher discusses the course outcomes in the classroom as well as in the laboratory at the beginning of the course. POs and COs are displayed on notice boards

in every laboratory and also printed in continuous assessment record for laboratory assignments, project work and printed journals. POs are also available on Institute website.

POs are attained through the attainment of COs. CO attainment is calculated at the end of each course using direct method. The results of University examination contribute to direct method of attainment.

PO and PSO attainment is calculated at the end of programme as per the CO-PO mapping and correlation level. Programme exit survey contributes to indirect attainment of PO and PSO. PEOs are attained through the attainment of POs and PSOs.

The Summary of attainment of COs for each course along with its mapping with POs, is recorded in a document named Course Information Sheet (CIS).

To ensure attainment of graduate attributes, each department monitors and

reviews teaching learning process periodically. Effective mechanisms are employed for curriculum implementation using modern tools and technology along with traditional classroom teaching. Teachers' feedback is collected for each course from the students and analyzed for further corrective measures, if any.

To bridge the curriculum gaps, topics beyond syllabus are included in teaching plan, expert talks are arranged, various seminars, workshops, symposiums, conferences and industrial visits are organized. To enhance the employability, various training and placement activities are carried out on regular basis. Each department of the Institute conducts programs for continuous improvement.

20.Distance education/online education:

To facilitate online education, faculty members prepared 192 Udemy courses, out of which 63 had a rating of more than 4.5 in 2021-22 and 24 were paid courses. Titles of some of the courses with rating more than 4.5 are Fundamentals of Data Structures, Fiber Optics Network Design and Maintenance, Scheduling Techniques for Construction Project, Engineering Mechanics, Engineering Drawing / Graphics: Hands-on training, Learning to Write Scientific Research Paper, Process and Mechanical Design of Process Equipment, Parsing in Natural Language Processing, Engineering Materials, Essentials of

Marketing the Services, Learning MongoDB- NoSQL database.

Faculty members have also started their own Youtube channels which are receiving good response from the students. During COVID lockdown period, several courses on Coursera platform were made available to students at free of cost. Over 1000 students took benefit of such courses. Course contents / study material was also shared on WhatsApp groups for the benefit of students. Many examinations were conducted in Online Mode during A. Y. 2021-22. Staff members have also completed online courses through SWAYAM and NPTEL.

Extended Profile

1.Programme

1.1	619
Number of courses offered by the institution across all programs during the year	

File Description	Documents
Data Template	View File

2.Student

2.1	4646
Number of students during the year	

File Description	Documents
Data Template	View File

2.2	796
Number of seats earmarked for reserved category as per GOI/ State Govt. rule during the year	

File Description	Documents
Data Template	View File

2.3	1214
Number of outgoing/ final year students during the year	

File Description	Documents
Data Template	View File

3.Academic

3.1	215
Number of full time teachers during the year	

File Description	Documents
Data Template	View File

3.2	229
Number of Sanctioned posts during the year

4.Institution

4.1	48
Total number of Classrooms and Seminar halls	

4.2	2387.20783
Total expenditure excluding salary during the year (INR in lakhs)	

4.3	1341
Total number of computers on campus for academic purposes	

Part B**CURRICULAR ASPECTS****1.1 - Curricular Planning and Implementation**

1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process

- The institute follows the curriculum and academic calendar prescribed by the university and plans for effective implementation.
- The course structure and contents of all the programmes are available on the university website.

- Before the commencement of the semester, courses are allocated to respective teachers based on their specialization, experiences and choice.
- Department wise academic calendar, activity calendar, class time table and laboratory time table is prepared.
- Faculty develops teaching plan / laboratory plan / tutorial plan as per guidelines received from the university.
- Academic Preparation Plan consisting of high quality videos to be shared with students, Multiple choice questions to be asked through LearniCo / Google Forms, Assignments & Question Banks, use of simulation / modeling tools, ideas for mini projects is followed by all teachers.
- The course files are prepared / updated by respective faculty.
- Laboratory manuals / journals are prepared.
- The monthly attendance record is prepared by class coordinator and communicated to every student and their parents.
- The academic activities and progress of students are reviewed by head of the department with the help of class coordinators and corrective measures are discussed with the faculty.
- Continuous assessment of students is made with the help of rubrics developed by each faculty for laboratory course.
- The planning for project and seminar work is done at the beginning of every semester. The students are encouraged to carry out their projects in collaboration with industries.

1.1.2 - The institution adheres to the academic calendar including for the conduct of Continuous Internal Evaluation (CIE)

- In view of online conduction of lectures and practicals, course teachers prepared and shared videos/presentations/demonstrations for the content of their respective courses. The online/offline lectures/ practicals were conducted regularly using various platforms.
- The students are made aware of the assessment strategy before the commencement of the course. For each practical /tutorial/termwork course, continuous assessment of a student is made with the help of rubrics by respective faculty and registered in continuous assessment sheet during the semester.
- At the end of semester students submit term work in the form

of journal.

- The attendance record of each student is maintained in theory class and practical sessions and cumulative attendance is conveyed to each student and if required to his/her parents as well.
- Two unit tests are conducted and corrected answer sheets of Unit test are shown to students for further improvement.
- The efforts are taken by mentors and class coordinators to boost the moral of students and encourage them to cope up with online teaching-learning and evaluation.
- Independent learning of the student is tested while doing seminars, mini - projects, and final year projects and evaluated as per the guidelines provided by the University.

1.3 - Curriculum Enrichment

1.3.1 - Institution integrates crosscutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability into the Curriculum

Environmental Studies-I and II are incorporated in curriculum of first year engineering course which build the concepts and strategies related to sustainable development and various components of environment.

Environmental Engineering as a course has been offered to create awareness of environmental ethics and protocol to be followed for industrial practices to protect environment and promote sustainable development.

A course on Humanity and Social Science enable students to explore aspects of human society and to develop characteristics that encourage personal fulfillment, meaningful professional life and responsible citizenship.

Audit course on Smart Cities explores dynamic behavior of the urban system by going beyond the physical appearance and by focusing on representations, properties and impact factors. Audit courses like Code of Conduct & Moral Values, Human Values & Professional Ethics recognize and evaluate ethical challenges that students may face in their professional careers and build their decision making skills in such challenging scenarios.

An online session on Environment and sustainability was organized on 28 March 2022 by Dr. Jagdish Ghodihal, Presidency University, Bengalure.

MBA Courses like Indian Ethos & Business Ethics and Corporate Social Responsibility & Sustainability provide the insights to the students about CSR, business ethics & sustainability development.

Institutional data in prescribed format	View File

2.1.2 - Number of seats filled against seats reserved for various categories (SC, ST, OBC, Divyangjan, etc. as per applicable reservation policy during the year (exclusive of supernumerary seats)

2.1.2.1 - Number of actual students admitted from the reserved categories during the year

959

File Description	Documents
Any additional information	No File Uploaded
Number of seats filled against seats reserved (Data Template)	View File

2.2 - Catering to Student Diversity

2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

In order to understand special learning needs of the students, an initial assessment of their learning levels was carried out with the help of a Profiling (Psychometric) Test for the first year students of 2021-22. The scores of students in different categories of the test like Logical Reasoning, Numerical ability, Linguistic ability helped to identify advanced and slow learners in general. Based on the scores obtained in the profiling test, appropriate thresholds were decided to identify the advanced and slow learners. Special programs were designed and implemented at department level. Mechanism is established to track the performance of advanced and slow learners by respective departments

Additionally, advanced and slow learners in individual subjects are identified by subject teachers with the help of LearnCo scores and necessary corrective measures are taken.

Remedial online lectures were conducted for all FE divisions in Engg. Mechanics course by Prof. Milind Murugkar, Challenging Assignments/Gate Questions are shared with advanced learners.

Scholarships are awarded to top three meritorious students from each class. Apart from regular library facility, additional two books are provided to meritorious students.

2.2.2 - Student- Full time teacher ratio (Data for the latest completed academic year)

Number of Students	Number of Teachers
4646	215

File Description	Documents
Any additional information	No File Uploaded

2.3 - Teaching- Learning Process

2.3.1 - Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

Participative Learning - In an attempt to enable students to understand concepts thoroughly, the classroom environment is made conducive for mutual interactions between students and teachers. Learning in classrooms improves significantly if there are meaningful interactions between inquisitive learners and experienced teachers. Such meaningful interactions are systematically introduced during teaching with the help of ICT tools and innovative teaching methodologies. To allow students to participate and answer even during online lectures, the Audience Response System, named MKCL LearniCo was adopted. It is used for teaching of all subjects in all classes.

Experiential Learning - Opportunities are provided through the use of Simulation Tools and Internships. Modeling and simulation tools such as Ansys & Creo, Aspen Plus, Bison, CIM Design, Cisco packet tracer, D3.js, ETAP, Excel, Flexsim, Geogebra, Hysis V 8.8, Keil micro vision, MATLAB, Minitab, MyCompiler Assembler, PHA ISOGRAPH Software, PLC virtual lab, Proteus, Pythontutor, R online simulator, Scikit learn, Star UML, Testing tool Selenium, JUnit, Tinker Cad, ThingSpeak IoT Cloud, UniSim Design, AutoCAD, DWSIM are used.

Problem Solving Methodologies - Opportunities for Problem solving are provided in Tutorial classes of different courses, Project Based Learning in FE, SE and TE classes, Final Year Projects and Additional Challenging Problems/Assignments.

2.3.2 - Teachers use ICT enabled tools for effective teaching-learning process. Write description in

maximum of 200 words

Teachers have used various ICT enabled tools for effective teaching-learning process such as -

- Use of Online Platforms for Lecture Conduction - No. of Online lectures conducted - 10437, No. of Videos prepared by teachers -552, No. of Youtube Video Links shared - 9745
- Use of ERP/Google Classroom etc. for Assignment submissions - No. of Assignments in ERP/ Google Classroom -2521
- Use of ICT tools like LearniCo/ Polls etc. in teaching-learning - No. of LearniCo sessions conducted -5822
- Use of ICT tools for Formative and Summative Assessment
- Use of Simulation tools - Modeling and simulation tools such as Ansys & Creo, Aspen Plus, Bison, CIM Design, Cisco packet tracer, D3.js, ETAP, Excel, Flexsim, Geogebra, Hysis V 8.8, Keil micro vision, MATLAB, Minitab, MyCompiler Assembler, PHA ISOGRAPH Software, PLC virtual lab, Proteus, Pythontutor, R online simulator, Scikit learn, Star UML, Testing tool Selenium, JUnit, Tinker Cad, ThingSpeak IoT Cloud, UniSim Design, AutoCAD, DWSIM are used.

2.5 - Evaluation Process and Reforms	

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

- Evaluation criteria for term work based on continuous assessment, timely submission and regular attendance are conveyed to the students before the commencement of the course.
- The attendance record of each student is maintained in theory class and practical sessions and cumulative attendance is conveyed to each student and if required to his/her parents as well.
- Independent learning of the student is tested while doing seminars, mini - projects, and final year projects and evaluated as per the guidelines provided by the University.
- Two Unit tests are conducted in each semester for all the theory courses.

File Description	Documents
Any additional information	No File Uploaded
Link for additional information	Nil

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time- bound and efficient

- Students are made aware of Continuous assessment scheme for lab work, project work and seminars as per the evaluation criteria. Term work marks are displayed on notice board. Any discrepancy in continuous assessment is resolved at department level, within two days.
- Corrected answer sheets of Unit test are shown to students within one week from end of internal exams. The points raised by students related to marking scheme are resolved immediately and corrected results are displayed, if necessary.

File Description	Documents

Link for additional information	Nil

2.6 - Student Performance and Learning Outcomes

2.6.1 - Teachers and students are aware of the stated Programme and course outcomes of the Programmes offered by the institution.

The institute follows the guidelines provided by AICTE, New Delhi for institutes affiliated to university. As per these guidelines, each department follows the twelve Programme Outcomes (POs).

In addition to POs, Programme Specific Outcomes (PSOs) are defined as per the need of the programme. Each department defines its own Programme Educational Objectives (PEOs) and Course Outcomes (COs). COs are defined as per syllabus using Blooms Taxonomy and mapped with POs and PSOs according to correlation level.

Course Outcomes are defined by Course coordinator/teacher and finalized by module coordinator, program coordinator, and head of department. The course coordinator/teacher discusses the course outcomes in the classroom as well as in the laboratory at the beginning of the course. POs and COs are displayed on notice boards in every laboratory and also printed in continuous assessment record for laboratory assignments, project work and printed journals. POs are also available on Institute website.

File Description	Documents
Upload any additional information	No File Uploaded
Paste link for Additional information	https://engg.kkwagh.edu.in/igac_detail/index/191
Upload COs for all courses (exemplars from Glossary)	No File Uploaded

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

POs are attained through the attainment of COs. CO attainment is calculated at the end of each course using direct method. The results of University examination contribute to direct method of attainment.

PO and PSO attainment is calculated at the end of programme as per the CO-PO mapping and correlation level. Programme exit survey contributes to indirect attainment of PO and PSO. PEOs are attained through the attainment of POs and PSOs.

The Summary of attainment of COs for each course along with its mapping with POs, is recorded in a document named Course Information Sheet (CIS).

To ensure attainment of graduate attributes, each department

monitors and reviews teaching learning process periodically. Effective mechanisms are employed for curriculum implementation using modern tools and technology along with traditional classroom teaching. Teachers' feedback is collected for each course from the students and analyzed for further corrective measures, if any.

To bridge the curriculum gaps, topics beyond syllabus are included in teaching plan, expert talks are arranged, various seminars, workshops, symposiums, conferences and industrial visits are organized. To enhance the employability, various training and placement activities are carried out on regular basis.

3.3 - Extension Activities

3.3.1 - Extension activities are carried out in the neighborhood community, sensitizing students to social issues, for their holistic development, and impact thereof during the year

- The institute has National Service Scheme (NSS) Unit of 250 capacity affiliated to SPPU. The institute appoints two Programme Officers (one male and one female) along with

Assistant Programme Officers from each department. Students are enrolled as per the guidelines provided by SPPU.

- NSS organizes two types of activities, regular activities at institute level and special camp of seven days at nearby villages. Regular activities include blood donation camps, tree plantation, health check-up camps, road safety and social awareness programmes. The renowned social workers and activists guide the students in the camp. The special camp in villages, help students to understand the rural life, problems of villagers and to provide probable engineering solutions.
- NSS volunteers are encouraged to participate in inter collegiate, state level and national level activities.

INFRASTRUCTURE AND LEARNING RESOURCES

4.1 - Physical Facilities

4.1.1 - The Institution has adequate infrastructure and physical facilities for teaching- learning. viz., classrooms, laboratories, computing equipment etc.

- Well equipped laboratories, state of art library, well ventilated ICT enabled classrooms, tutorial rooms, seminar halls and faculty rooms are available.
- Additional facilities are created to fulfill the requirements whenever needed.
- The library has well demarcated space for book stacking, processing section, circulation section, book bank, reading room, periodical section, reference section, e-library, audiovisual section and offices for librarian and staff.
- The institute has developed fully dedicated infrastructure, Dr. A P J Abdul Kalam Career Development Centre, for conducting training and placement activities comprising of two computer labs, group discussion and interview rooms and also Video Conferencing facility.
- The institute has 'Construction and Maintenance' unit to look after the development, enhancement and maintenance of campus infrastructure.
- 1341 Computers, 3 servers for ERP facility and 5 servers at department level are available alongwith adequate number of peripherals and UPS backup.

4.1.2 - The Institution has adequate facilities for cultural activities, sports, games (indoor, outdoor), gymnasium, yoga centre etc.

- The institute provides excellent sports facilities. A playground with area 20,000sq.m. is developed in the campus for playing outdoor games such as cricket, football, hockey etc. A six lane athletic track, two volley ball courts, one basketball court and two lawn tennis courts are also available. Similarly, the institute also has the facility for indoor games such as chess, carom and table tennis. Yoga room is available in gymnasium.
- The gymnasium is equipped with all modern equipments for body building and fitness. Some of major equipments available in the gymnasium are motorized jogger, eight station multi gym, hip abductor, cable cross machine, power cage, Olympic standard weight lifting set, bench press etc. The facility of steam and sauna bath is also available in the gymnasium. Green Gym is also available.
- During annual social gathering, various cultural activities and competitions are held at institute level. It includes singing, dance, drama, one act play, fashion show etc. Competitions like art, paintings, rangoli, photography etc. are arranged.
- For public speaking and communication, Institute has 6 seminar halls with seating capacity 150 and facilities like PA system, dias, podium, LCD projector screen, television set etc.
- The institute has Karmaveer Dispensary in the campus. Ambulance service is also made available by the Institute.
- Sanitary napkin vending and disposal machine is available in ladies common room and washrooms.

5.3.2 - Institution facilitates students' representation and engagement in various administrative, co-curricular and extracurricular activities (student council/ students representation on various bodies as per established processes and norms)

The institute has student representatives in many of the academic and administrative bodies for effective functioning which are listed below:-

- Anti Ragging Committee
- Internal Complaint Committee for Women
- Training and Placement
- Student Council
- National Service Scheme
- Cultural/Sports Committee
- ISTE, SAE, IET, ISHRAE, CSI & ACM Students' Chapter
- College Development Council
- Internal Quality Assurance Cell
- IoT Club, Astro Club, Environmental Club, White Spot Club, Financial Literacy Club, Automobile Vehicle Club, Art Club.

The students' associations of various departments are -

- Association of Chemical Engineering Students
- Civil Engineering Students' Association
- Debuggers Club
- EFFECT
- Student Association of Electronics Engineering
- ITERON Club
- Mechanical Engineering Students' Association, KK Motor Sports Club
- Production Engineering Students' Association
- ABACUS Club
- Management Studies Students' Association
 - First Year Engineering Students' Association

Every year, a Student Council is constituted as per the notification issued by the university, under the provisions of section 40 (2) (b) of the Maharashtra Universities Act, 1994.

5.4 - Alumni Engagement

5.4.1 - There is a registered Alumni Association that contributes significantly to the development of the institution through financial and/or other support services

Yes, the institute has a registered Alumni association (Registration No.: Maharashtra/7828/2003/Nashik Dated: 17/1/2003).

Alumni association of K. K. Wagh College of Engineering, Nashik is registered under the Societies registration act 1860 (29) with effect from 17/1/2003 having registration number Maharashtra/7828/2003/Nashik. The main objectives of alumni association includes promoting and fostering mutually beneficial interaction between the alumni and the present students of Institute and also between the alumni themselves, encouraging them to take an active part in the work and progress of the Institute and also to generate funds for students and alumni welfare. The alumni association of K. K. Wagh College of Engineering, Nashik is actively engaged in organizing annual alumni meet, special focus alumni meets, opening new chapters and promoting alumni-faculty interaction through enhancing alumni participation in various events organized by institute/departments, seminars, expert talks etc. During years 2016-2022, the alumni association had organized two annual alumni meets, three special focus meets and two global online meets. To increase alumni participation in day to day activities of alumni association, a new governing body is also elected. Online

registration facility is made available on the Institute website. The institute effectively networks and collaborates with alumni which have seen a progressive increase in the number of alumni interacting with the students every year.

GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of and in tune with the vision and mission of the institution

The vision and mission of the institute are:

VISION - Empowering Through Quality Technical Education

MISSION - Committed to serve the needs of the society at large by imparting state-of-the-art Engineering education and to provide Knowledge and develop Attitudes, Skills and Values leading to establishment of quality conscious and sustainable research oriented Educational Institute.

The institute is committed for imparting technical education at affordable fees, to

students from society at large. The institute is also committed for rural youth development and women empowerment. The institute is known as a premier institute in engineering education with distinctive characteristics like senior and stable faculty force, continuous upgradation of labs with latest configuration of computers, software and peripherals, rich collection of books and online journal subscriptions, efforts for enhancing overall

personality and communication skills and research and consultancy activities. The institute follows ethical practices and encourages Indian culture and value system. Research projects are undertaken by faculty and students for societal problems. The vision and mission of the institute have been developed with the active participation of all faculty members and guidance from experts from various fields. The institute aims at becoming an autonomous institute with courses aligned with industrial needs.

File Description	Documents
Paste link for additional information	Nil
Upload any additional information	No File Uploaded

6.1.2 - The effective leadership is visible in various institutional practices such as decentralization and participative management.

The management of the institute has two main committees, Governing Body (GB) and College Development Committee (CDC). The role of the GB is to decide the policies for the smooth functioning of the institute. The GB decides the policies and gives directions to the institute for the effective implementation. The organizational structure of the institute is a blend of professional autonomy, individual accountability and well-defined administrative structure. Within this overall framework, faculty members have the operational autonomy in executing their teaching, research, training and consultancy activities.

The institute promotes participative management. The institute constitutes committees for general and academic development which includes faculty, nonteaching staff and students' participation. Involvement and participation is ensured from every segment of the institute in decision making processes. There are three levels of administrative structure under which all the activities of the institute are carried out.

Society level - The management of the institute is directed by GB, whose members, are appointed in accordance with the guidelines provided by the AICTE.

Institute level - The CDC is constituted as per the guidelines provided by the University. All the main decisions related to the institute are taken by the Principal in consultations with the Deans and Head of departments.

Department level - The Heads of Department are responsible for the day-to-day administration of the department and report directly to the Principal.

File Description	Documents
Paste link for additional information	Nil
Upload any additional information	No File Uploaded

6.2 - Strategy Development and Deployment

6.2.1 - The institutional Strategic/ perspective plan is effectively deployed

The head of the institution guides and administers all the activities and plays a leading role in implementation of the stated vision and mission. Strategic Plan has been developed by involving the Heads of all departments and sections. Meetings of all faculty members are regularly conducted for planning and execution of all such activities. Action plan for departments based on academic calendar, vision and mission of the institute and of the departments, co-curricular and extra-curricular activities, is prepared by head of departments in consultation with Principal. The involvement of all stakeholders is ensured for improving the quality of the institution. Need analysis is done through analysis of stakeholder feedback. The institute policies are constituted to meet the market demands. The stakeholder requirements and industrial needs are taken into account while preparing Strategic Plan and policies.

The institute intends to strengthen the teaching learning process by adopting latest technology for blended learning. To improve the administrative procedures and working, ERP system is implemented in the institute. Student mentoring and counseling is ensured for career development. The institute encourages interdisciplinary events/ activities and projects. Institute has developed good relationship with the industries in the form of joint research, expert lectures and curriculum design.

6.2.2 - The functioning of the institutional bodies is effective and efficient as visible from policies, administrative setup, appointment and service rules, procedures, etc.

All the departments of the institute have departmental committees coordinated by faculty members and monitored by Head of the Department for smooth conduction of academic and administrative activities. The institute has constituted committees as per the norms and also additional committees are constituted for internal coordination and monitoring of the activities.

The institute is represented by Principal on various committees at Education Society level as listed below -

1. Finance Committee
2. Purchase Committee
3. Staff Selection Committee
4. Construction and Maintenance Committee

The resolutions related to the policies and plans, made during meetings of Board of directors, Governing body and College Development Committee are communicated to all members of the institute. These are discussed in regular meetings of head of departments and action plans are prepared.

The institute has the following mechanisms for better management and improvement in human resource:

- Recruitment of well qualified and experienced faculty as per AICTE/UGC norms
- Promotions as per AICTE/UGC norms

- **Implementation of staff welfare schemes.**
- **The outcome of performance appraisal reports is used for reviewing the annual progress of staff and for promotion to the next scale/designation. The outcome of performance appraisal is communicated to the faculty by making an appropriate entry in service books.**

6.3.5 - Institutions Performance Appraisal System for teaching and non- teaching staff

Performance appraisal of faculty is carried out at three levels:

1) **Self-assessment by faculty:** Every faculty member submits his performance appraisal form based on academic performance indicators (API) suggested by UGC, which includes:

a) **Teacher Assessment** based on his effectiveness for Teaching Learning and Evaluation. Along with other parameters mentioned in Category 1 of Part B in the format of API.

b) **Teacher assessment** based on his involvement/participation in co-curricular, extension and professional development activities

c) **Teacher assessment** based on his research contributions in terms of funded projects, publication in high quality journals/conferences, publishing book/book chapters, invited talks, consultancy etc.

2) **Evaluation by Head of the Department:** The self-appraisal forms are verified by Head of the Department and Principal of the Institute and gap analysis is carried out. The scores are corrected if required. Based on the scores, weakness of the faculty is identified and steps are taken to overcome these weaknesses.

3) **Teacher appraisal through student feedback:** Teacher's performance is also evaluated through student feedback. The minimum overall rating for a faculty member from the student's feedback should be more than 7 on 10-point scale. Necessary corrective actions are

initiated for faculty member scoring less than the institute standard.

6.4 - Financial Management and Resource Mobilization

6.4.1 - Institution conducts internal and external financial audits regularly Enumerate the various internal and external financial audits carried out during the year with the mechanism for settling audit objections within a maximum of 200 words

The institute ensures an internal and external audit of all its accounts.

The accounts are reviewed internally by the Finance manager for proper utilization and queries, if any, are referred to Principal.

The external audit is done once in a year by external auditors. The last audit was done on 3rd August 2022. No major audit objections were raised in the last audit.

6.4.3 - Institutional strategies for mobilization of funds and the optimal utilization of resources

The institute adopts a budgeting procedure, with adequate resources for non-recurring expenses, recurring expenses (e.g. salary, faculty development, research, repairs & maintenance, consumables etc.), learning resources (e.g. books, journals, periodicals) and creation of new facilities.

- The institute collects budgetary requirements from all the departments/sections in a prescribed format.
- The head, in consultation with the faculty members, finalize the department requirements and forward them to the Principal for approval.
- The institute budget is then prepared and the proposed budget is sent to the management for further consideration.
- Decision is made in consultation with the Principal to ensure that the requirements stated in the budget are given proper justification. The Governing Body of the institute is the final decision making authority for budgetary approval based on recommendations given by the Principal.
- A standard procedure is followed for procurement.
- Provisions are made for any additional requirement of capital for emergency expenditure.
- The major source of receipts is Tuition Fees and Development fees from the students. Deficit if any is taken care by the Education Society through corpus fund.
- Efforts are made by the institute in securing additional funding through projects sponsored by organizations like DST, AICTE (schemes like MODROB, RPS, Seminar etc.), SPPU-BCUD, testing and consultancy

work and others.

6.5 - Internal Quality Assurance System

6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes

§ Academic Preparation Plan for both semesters for all courses and Use of LearniCo (LMS) for improving real time interactions during online lectures of FE/FYMCS/FYMBA classes (17 Demo sessions - Jan.2022), Training Session conducted for newly joined 14 Teachers (Feb. 2022)

§ UG Project Policy Framing, Implementation and periodic Monitoring at Institute level

§ Psychometric Test for FE Students to identify Advanced and Slow Learners (3rd Jan to 17th Jan 2022) (Total No. of Participants-787)

§ Implementation of four Quality Objectives with clearly defined Action Plans for Quality Parameters to assess Teaching-Learning Process -

- 1) To improve all clear result of first year Engineering by 10% by avoiding single subject failure of students having 35% to 50% CET score, in the academic year 2021-22.
- 2) To improve all clear result of second year Engineering by 10% by improving the results of all five subjects of second year by at least 5% in the Sem-I and Sem-II of academic year 2021-22.
- 3) To improve the quality of teacher-student interactions in the Sem-I and Sem-II of academic year 2021-22.
- 4) To improve the quality of experiential learning in the Sem-I and Sem-II of academic year 2021-22 by ensuring that at least 25% students of the class solve the challenging / assignments / Variation in experimentations / problem based / Issue based laboratory assignments.

6.5.2 - The institution reviews its teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals through IQAC set up as per norms and recorded the incremental improvement in various activities

§ Teaching feedback once per semester(11-20Nov 2021 and 18Mar-5Apr 2022)

§ Student Satisfaction Survey (Once a year from final year students after Project exam) 24 May 2022

§ Stakeholder's feedback (Collection and Compilation from all depts.)

§ Monthly Monitoring of implementation of action plans of Quality Objectives 1, 2, 3 and 4

§ Faculty Appreciation: Felicitation of 18 second/third year and 11 first year teachers on 5 May 2022

§ Academic & Administrative Audit for 2021-22 Sem- I and Sem II for 12 Departments and 9 Sections (18-28 February 2022, 4-16 July 2022)

§ Rosetta Stone Foreign Language Training for 259 students.

§ IQAC monthly newsletter (IQAC Pin Board) is circulated among the staff members for communicating progress of Quality initiatives

INSTITUTIONAL VALUES AND BEST PRACTICES

7.1 - Institutional Values and Social Responsibilities

7.1.1 - Measures initiated by the Institution for the promotion of gender equity during the year

There are around 35% girl students in the institute. The institute provides equal opportunity to girls and boys students with respect to students' council, participation in committees and extracurricular activities, sports and placements, etc.

Internal Complaint Committee for women takes care of all complaints on sexual harassment of women at workplace and action taken for redressal of complaint.

The campus is safe and secured and is under CCTV surveillance. Separate Rest room for girls students and lady staff members is available in the Institute.

Separate Sports/ cultural events are arranged for girl students each year.

An online session on Menstrual Health and Hygiene by Global Hunt and their corporate partner Unicharm India was conducted on 16th December 2021 by Ms. Ankita Sukhwai, CSR Executive from Unicharm India.

An online seminar on "Equality for sustainable development" by Ms. Priyadarshini Hinge, Maxwoman Editor, on 28th Feb. 2022 and

"Towards a Gender-Equal Society " by Mr. Harish Sadani, Co-founder and Chief Functionary at Men Against violence and Abuse (MAVA) organization on 10th March 2022 was organized.

A seminar on 'Challenges for Women in STEM' by Dr. Julie Desai, Lawyer, Mentor & Human Rights Activist on 8th Dec. 2021 and a Calligraphy Workshop on Women's day 8th March 2022 was organized.

7.1.3 - Describe the facilities in the Institution for the management of the following types of degradable and non-degradable waste (within 200 words) Solid waste management Liquid waste management Biomedical waste management E-waste management Waste recycling system Hazardous chemicals and radioactive waste management

Various initiatives are taken by the institute for degradable and non-degradable waste. Few are listed below-

- Huge plantation and greenery has reduced CO2 level considerably.
- Solid waste is taken care by dispatching it for composting.
- Septic tanks are provided for each building to take care of liquid waste.
- Hazardous waste is handled carefully and disposed safely.

- Batteries are replaced regularly after expiry of their useful life
- Electronics gadgets, circuits, kits have been written off on regular basis and then it is sold out to buyers by auctioning.
- All the miscellaneous e-waste from every department is delivered for safe disposal.

7.1.5 - Green campus initiatives include

7.1.5.1 - The institutional initiatives for greening the campus are as follows:

1. Restricted entry of automobiles
2. Use of Bicycles/ Battery powered vehicles
3. Pedestrian Friendly pathways
4. Ban on use of Plastic
5. landscaping with trees and plants

B. Any 3 of the above

7.1.8 - Describe the Institutional efforts/initiatives in providing an inclusive environment i.e., tolerance and harmony towards cultural, regional, linguistic, communal socioeconomic and other diversities (within 200 words).

- Induction Programme at institute level is conducted for the students admitted in first/second year and their parents for each branch to help them understand the engineering curriculum and evaluation process.
- The students from the disadvantaged sections of society, physically challenged, economically weaker sections are also identified.
- Student section creates awareness and provides all necessary information regarding various scholarships and social welfare schemes available to the students.
- The institute has EARN and LEARN scheme for the students from economically weaker section.
- The minority cell helps the students from minority communities to avail scholarships provided by the government.
- Book Bank facility is provided to reserved category students.
- Special Programmes for enhancement of communication skills are arranged for SC/ST students under the AICTE SPDC Scheme.

The institute permits payment of fees in installment from the students of economically weaker sections.

7.1.9 - Sensitization of students and employees of the Institution to the constitutional obligations: values, rights, duties and responsibilities of citizens

- The institute is providing engineering graduates to the society. The engineers are expected to know the strengths and weaknesses of society and identify the opportunities and challenges involved in doing major reforms required to build a better society.
- The objectives of the extension activities organized by the institute are to sensitize students on critical issues concerned with society and environment such as poverty, social injustice, gender bias, pollution evils. Through these activities, the students are made aware of their roles to be played in the society. Such extension activities help students to groom their personalities and make them ready to participate in the Nation building process.
- NSS unit provides a platform to understand moral, ethical and social values, to develop leadership quality, to work in a team and to boost overall confidence of the students.

A course on Humanity and Social Science enable students to explore aspects of human society and to develop characteristics that encourage personal fulfillment, meaningful professional life and responsible citizenship.

Audit courses like Code of Conduct & Moral Values, Human Values & Professional Ethics recognize and evaluate ethical challenges that students may face in their professional careers and build their decision making skills in such challenging scenarios.

NSS Unit of the Institute celebrated Voter's Day on 25 January 2021 and National Unity Day on 31 October 2021

7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

A. Title of the Practice I : Student Centered Teaching & Learning

Objectives of the Practice:

- To enhance teaching learning process in Engineering Education.
- To adopt innovative teaching methodologies.
- To promote use of ICT in teaching learning process.

B. Title of the Practice II : Service Learning through Volunteering and Internships

Objectives of the Practice

- To work closely with the industry to understand new or improved products, techniques, processes, systems or services.
- To create awareness about social needs and real life problems.
- To develop transferable and life skills through service learning.

File Description	Documents

7.3 - Institutional Distinctiveness

7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust within 200 words

The institute is known as a premier institute in engineering education with distinctive characteristics like senior and stable faculty force, continuous upgradation of labs with latest configuration of computers, software and peripherals, rich collection of books and online journal subscriptions, efforts for enhancing overall personality and communication skills and research and consultancy activities. The institute follows ethical practices and encourages Indian culture and value system. Research projects are undertaken by faculty and students for societal problems.

The institute is permanently affiliated to Savitribai Phule Pune University. Most of the programmes offered by the institute have been accredited by NBA, AICTE, New Delhi. In year 2003, six programmes and in year 2012, five programmes were accredited

respectively. The Institute has been accredited by NAAC with grade A in 2018. Eight programmes have been accredited by NBA in 2019.

Mechanical UG Programme has been accredited from 2021-22 to 2023-24 (upto 30/6/2024). Five UG programmes - Chemical Engg., Civil Engg., Computer Engg., Electrical Engg. and E&TC Engg. were re-accredited from 2022-23 to 2024-25 (upto 30/6/2025). MCA programme was accredited for 2021-22 (upto 30/6/2022)

UGC has granted Autonomous status from 2022-2023 to 2031-2032.

7.3.2 - Plan of action for the next academic year

- Planning & Implementation of Autonomy.
- Effective Implementation of Outcome Based Education.
- Planning & Preparation for NBA visit of MCA dept.
- Strengthening Alumni Network.
- Strengthening Industry-Institute Interaction.
- Planning for Social Activities by NSS and NGOs.
- Development of Innovation Center and IDEA Lab in the campus.
- Submitting research proposals / research papers.
