2. BRIEF OF SYMPOSIUM

Brief of Symposium

In line with our tradition to make current students responsible citizens of this country, we, Department of **MCA** has organized a national level technical symposium **ASCEND 2K17** on 1st and 2nd February 2017.

Technical Symposium was held for the budding graduates to showcase their talent and skills under one roof and also to have a feel of the hidden competition among all the graduate students from different locations. Since year 2014, Department of MCA has been providing such important platform by organizing this Symposium, "**ASCEND**", under banner of student association, ABACUS Club.

Every year, hundreds of students from different locations take part in this symposium. Last year we had received overwhelming response from nearby cities and same is continuing this year as well. This year we had registered more than 650 participants. Participants were from various states across India like Tamilnadu, Andra Pradesh, Rajasthan, Delhi and Maharashtra. From Maharashtra state we had received tremendous responses from various cities like Mumbai, Jalgaon, Bhusawal, Dhule, Satana, Aurangabad and Nashik etc. Student Participants were highly satisfied by all the facilities and technical support furnished for various competitions. Brief Report for 1st and 2nd February, 2017 is given below with winner list, Photographs and Media Flashes.

Prof. A. L. Rane and Prof. R. A. Gangurde, were the Co-conveners for ASCEND 2K17. The entire faculty team of MCA along with current batch students planned this symposium with singular agenda of ability for lifelong learning to help young aspirant students to showcase their hidden talent with true spirit of sportsmanship.

Day 1

On First day 1st February 2017 of ASCEND 2K17 following events were conducted

1. Code Buster

Single Participant

Entry Fees: Rs. 50/- per head

Co-ordinator: Renu Dhotre-9112081415

It is a unique programming competition where we have to write the program in C/C++ language for the given problem with the monitor kept off. This activity mainly tests concentration, accuracy, programming skills. Problem statement will be given on the spot to the participants. The developers don't need a screen or anything when they start their scripting. They just create the code in mind and run their fingers on the keyboard. Participate to challenge others to show who is the real programmer. This is one of the best technical event in which maximum number of students participated among the crowd. Almost 135 students from different colleges had participated. This code buster

comprises of 4 rounds namely 1st was the MCQ Round, 2nd was the blind coding, 3rd was the debugging and the last round was the rapid fire.

2. Tracing Plum

1 Team [4 Members]

Entry Fees: Rs. 50/- per head

Co-ordinator: Komal Borse- 8669028341

It offers a fast paced, fun packed mystery to students with a tinge of 'technical' challenges. Conducted within the college premises, Treasure Hunt is a simple trail with a series of clues, one leading to the next, until group reaches last location of that round. The type of clues provided and difficulty level increases with each round

It is one of the event in which there was a majority of the students had participated with a count of 210 student had taken part.

As this is the event in which no students worry about the what and how it will going to happen .With full enthusiasm ,energetic , and in the full sunny day the students were running here and there without any resistance.

The participant had to aim just to complete the task. The rounds for tracing plum were 1st was selfie round, 2nd was the object round, 3rd round was the riddle round and the last round was the again selfie round with the HOD madam.

3. Talent Show- Short Film

1 Team [4 Members]

Entry Fees: Rs. 50/- per head

Co-ordinator: Avnish Dubey- 7798914739

A short film is any film not long enough to be considered a feature film. Although no consensus exists as to where that boundary is drawn, the Academy of Motion Picture Arts and Sciences defines

a **short film** as "an original motion picture that has a running time of 8 to 10 minutes or less, including all credits" to show their innovative ideas in form of video. At the end of Film participants should give moral message

4. Talent Show- Ad Mad Show
