

## K. K. Wagh Institute of Engineering Education & Research

### Institute Development Plan

The K K Wagh Institute of Engineering Education and Research, Nashik established in 1984 received an autonomous status from the AY 2022-23. The Institute is implementing the autonomy in a progressive manner from the AY 2022-23.

The institute has prepared following development plan

- To further strengthen its brand by maintaining NBA and NAAC Accreditation and obtaining NIRF ranking in the band of 100-150
- To offer UG and PG programs by designing NHEQH curriculum and credit framework as per NEP guidelines from the AY 2024 – 25 for holistic development of students with multiple-entry/exit facilities, with major and minor interdisciplinary courses, General/Open electives, Vocational and skill enhancement courses, courses for ability enhancement, imparting value education and make aware students about Indian Knowledge system, exposing students to the real-life problems through field projects, industry exposure through internships and on-job training, inculcating research abilities, self and life-long learning and entrepreneur skills.
- Create necessary infrastructure for ODL, Internationalization etc.
- Attract qualified and experienced faculty
- Train and motivate the faculty to create and offer online courses
- Training/upskilling of faculty members
- Motivate faculty to attend and organize workshops on technical and emerging topics, skill development courses, IKS, Universal human values and ethics
- Make available technical books authored in Marathi and motivate faculty to author and publish quality books in Marathi
- Promote research culture and undertake sponsored industry projects and offer consultancy services
- Find and obtain new sources of funding for carrying out research
- Involve industry and alumni in curriculum development, teaching-learning, examination and assessment and mentoring activity to ensure guidance for entrepreneurship
- To offer On-campus placements for every interested students
- Tie-ups with reputed Foreign Universities for faculty and student exchange programs and to conduct research
- Make every effort to become a preferred destination for all stakeholders to obtain status of Degree-awarding institute by 2030 and become Teaching-incentive University by 2035

Dr. K. N. Nandurkar  
Director
