

■ A Cyber Security Awareness Program

A Cyber Security Awareness Program had been arranged by Computer Engg. Department in association with Nashik City Police on 22nd December 2016 in Dr. P.C. Ray Hall, Chemical Engg. Department, KKWIEER. The session was inaugurated by Nashik's Commissioner of Police Mr. Ravindra Singhal during which he said that girls have to face cyber crime very often so they should avoid sharing personal information and photos on social media and should report immediately to police in case of any trouble. He also stated that cyber security cell should be formed in every college and school for giving awareness to the youth. Student's took an oath on the occasion, which stated that people will not misuse social media and will avoid uploading personal information on it. Deputy Commissioner of Police Mr. Laximikant Patil, Trustee Mr. Ajinkya Wagh, Principal Dr. K. N. Nandurkar and Vice-principal Prof. Dr. S. S. Sane, Staff members and students were present on the occasion. The Program was coordinated by Prof. S. T. Patil under the guidance of Head of department Prof. Dr. S. S. Sane

■ Industry Visit to NEC, Nashik 13th December 2016

■ Industry Visit to Netsmatz, Chandigarh on 15th December 2016

The department of Computer Engineering of K. K. Wagh Institute of Engineering Education and Research, Nashik organized an Industrial visit to Netsmatz, Chandigarh on 15th December 2016. Total 66 students of class B.E. (Comp) with the staff members Prof. N. G. Sharma, Prof. A. V. Tavare, Prof. V. N. Suryawanshi and Mr. Y. B. Nawale had joined this industrial visit. Here, project manager gave a brief about the company. He explained the process of conversion of enterprise software into Apps and integration to Websites. He informed about innovative software development techniques, building of next generation software solutions that leverage full capabilities of Web, Mobile and Cloud. He also interacted with students inquiring about their interest in Web and mobile app development and informed about the job opportunities in this area. The session was of one hour and started at 10 am till 11 am. After that, students got opportunity to take a round of the company at a glance.

K. K. Wagh Institute of Engineering Education and Research, Nashik received "Best Accredited Student Branch Award" at CSI Annual Convention 2017 at Coimbatore during 23rd to 25th January 2017.

Prof. Dr. S. S. Sane at CSI Annual Convention 2017 at Coimbatore receiving "Best Accredited Student Branch Award"

K. K. Wagh Institute of Engineering Education and Research, Nashik received "Distinguished College Award" at Technext India 2017 on 14th and 15th January 2017 by CSI Mumbai Chapter.

Prof. Dr. Vandna Bagal receiving "Distinguished College Award" at Technext India 2017 IIT Bombay

■ A mock group discussion and personal interview session

A mock group discussion and personal interview session was organized by training and placement cell of K. K. Wagh Institute of Engineering Education and Research, Nashik on 6th of January 2017 at 12.15 pm in Visvesvaraya hall. It was conducted by Mr. Nilesh Shanbhag, executive in academic relations, ITM for final and pre final year engineering students. The objective of this event was to get the students acquainted with do's and don't's of group discussion and personal interview. The session was scheduled as a part of Training and Placement activity by A. P. J. Abdul Kalam Career Development Centre and was coordinated by T&P in charge of Computer Department Prof. Neha G. Sharma with the support of Third Year student coordinators of Training and placement committee

■ An aptitude test by TIME MANAGEMENT INSTITUTE termed as "Time Talent Search Exam (TTSE)"

An aptitude test by TIME MANAGEMENT INSTITUTE termed as "Time Talent Search Exam (TTSE)" was organized by Training and Placement Committee of Computer Engineering Department of K. K. Wagh Institute of Engineering Education and Research, Nashik on 7th January, 2017 at 2:00 PM in Computer Engineering Department. Around 240 students appeared for this exam including students from First year to final year engineering stream of Computer Engineering Department. This exam was scheduled as a part of Training and Placement activity by students of Training and Placement committee under the guidance of T&P incharge of Computer Engineering Department Prof. Neha Sharma with the support T&P student coordinators of all the classes of Computer Engineering Department.

■ HRconnect

On 20th January 2017, an HR connect was organized by the Training Placement Cell and Computer Department. The HR Mr. Vivek Kulkarni, Founder and Director of Ramkrishna IT Consulting Pvt. Ltd. is a 'Thought leader' who was the speaker for the session.

The HR Connect mainly focused on 'How to be prepared for campus Drive'. The HR shared his own experiences how and why corporate company conducts the recruitment process so that it will be beneficial for their organizations.

■ Expert Lecture on “Networking / Cisco Routing and Switching”

A session on “Networking / Cisco Routing and Switching” was conducted by Mr. Dhananjay Patankar. He is a CEO of Networkers Academy, Nashik with 14 years of experience. He talked about different switching & routing techniques and provided a demonstration of HTTP, RIP and Ping . Then he guided students about making a career in the field of Networking. 51 students of Third Year Computer Engineering along with two staff members were present for the session. The session was coordinated by Prof. I Priyadarshini and Prof. Lalit Patil.

■ Seminar on Entrepreneur ship

A seminar was arranged by ENE social with collaboration with K. K. Wagh College of engineering at JVN hall of computer department in K. K. Wagh College. This seminar was arranged for SE/TE.BE students to create awareness and interest of student in entrepreneurship. There were 60+ students attended seminar. This was interesting

seminar which was successfully and made student know all about ENE social and their work and made student enthusiastic for startups and business. Mr. Nikitesh is an representative of ENE social who guided students. The seminar was coordinated by Prof. K. P. Birla.

■ An expert talk on the topic “Secure Socket Layer”

An expert talk on the topic “Secure Socket Layer” was conducted on 16th February 2017, 1:10 pm to 2:05 pm at department of Computer engineering, K. K. Wagh Institute of Engineering and Education Research, Nashik. The motive of the event was to introduce students about web security, role of SSL in web security and installation and usage of SSL. The session was conducted by Mr. Sanjeev Mishra, CEO, WebFanzine Media Pvt. Ltd., Nashik. He covered points like Myths and facts of web security, Origin of SSL, Places where data may be hacked on its journey to destination, Demonstration of performance of http and http2. Students learned about secure browsing, SSL, requirements and steps for installing SSL (paid and unpaid), future of SSL, benefits of using http2. The session was coordinated by Prof. N. S. Sonawane, under the guidance of Head of Department Prof. Dr. S. S. Sane. Prof. D. M. Kanade attended the session from staffs.

■ Parents Meet

Parents meet was organized by Computer Engineering Department on 11th March 2017. Parents of FE to BE students studying in Computer Engineering students attended the meet. Prof. Dr. S. S. Sane given presentation about the department and Prof. N. M. Shahane presented about teaching learning practices and examination rules. In all it was interactive session.

■ Equinox 2017

Dept of Computer Engineering organized a National Level Symposium Equinox 2017, on 19th to 21st March 2017. Event inaugurated by Mr. Milind Ghyar Managing Director TRIARQ Health on 19th March. Hon. Kishor Patil CEO KPIT felicitated students with prizes during valedictory. Workshops, coding competition, Project competition and various other events were organized under Equinox 2017. Event received overwhelming response of 1200+ participants across Maharashtra. Eminent Judges judged competition and many sponsors assisted for Equinox 2017. All students and staff members from the department took efforts to make the event successful under the guidance of Head of the Department Prof. Dr. S. S. Sane and Hon. Trustees of K. K. Wagh education Society. Student coordinator Swaraj Joshi, Vishal Pattar from Debugger's and CSI Club along with Staff Coordinators Prof K. P. Birla and Prof. W. W. Pingle coordinated the event.

Mr. Kishor Patil CEO of KPIT felicitating prize winners of Equinox 2017

■ Seminars/Workshop/Training attended by staff:

- Prof. D. M. Kanade attended Course on “Cyber Crime Investigation and Digital Forensics” , NIT , Goa from 30th November to 6th December 2016.
- Prof. L. A. Patil attended SciPy2016 Conference , IIT Mumbai on 10th and 11th December 2016.
- Prof. K. P. Birla attended FDP on Integrated Enterprise Solutions – PACE – ERP and Programming Fundamentals , KPIT ,Pune from 12th December to 17th December 2016.
- Prof. N. M. Pagare attended FDP on “Microprocessor” at PCCOE , Pune on 13/12/17.
- Prof. K. F. Alfatmi attended Code The Kits’16 MIT College of Engineering, Kothrud, Pune from 14th December to 23rd December 2016.
- Prof. S. K. Gondhalekar and Prof. C. R. Patil attended FDP on “Advanced Data Structures” at MIT , Pune on 15th December 2016.
- Prof. S. K. Chumbale attended FDP on “Principles of Programming Languages” at MMCOE,Pune on 16/12/16.
- Prof. M. P. Mahajan attended FDP on “Microprocessor Lab” at MECOE , Pune on 23/12/16.
- Prof. S. S. Bhandare attended FDP on Embedded Systems Design Using C2000 , KKWIEER , Nashik from 27/12/16 to 29/12/16

- Prof. N. S. Sonawane attended One Day FDP of "Fundamental of Programming Languages-II (FPL-II 2015 course)" in association with BOS (COMP and IT), SPPU, Pune on 30/12/16.
- Prof. N. G. Sharma attended Research Paper Writing Tips & Tricks , Sinhgad Education Society's Smt. Kashibai Navale College of Engineering, Vadgaon, Pune on 6/2/17.
- Mrs.I.Priyadarshini attended Research Methodology , Dr. Moonje Institute of Management & Computer Studies, Nasik from 3/2/17 to 4/2/17.
- Prof. I. Priyadarshini , Prof. N. G. Sharma attended Guidance Lecture on "Assessment Work" by Officials of S. P. P. U ,Pune on 31/3/17.
- Prof. S. A. Gade, Prof. N. M. Pagare, Prof. M. N. Shinde, Prof. G. R. Gupta, Prof. S. D. Jadhav, Prof. S. R. Wadhavane attended Induction Training.
- Prof. Dr. S. S. Sane CSI Nashik - Hitachi Program 17th May.
- Prof. K. F. Alfatmi, Prof. A. V. Taware, Prof. K. P. Birla attended Training on IoT at Winjit , Nashik from 16/5/17 to 19/5/17.
- Prof. Dr. S. S. Sane, Mr. P. D. Surwade, Mr. A. V. Avhad, Mrs. J. R. Rahatal Attended session "Road Safety" on 30/5/17.

Faculty Coordinator: M. P. Mahajan

■ Papers Presented by Staff and Student

Author :Divya Sawant , Prof. N. M. Shahane

Title of Paper Multimodal Face Pair Matching System

Organizer cPGCON 17 at Sandip , Nashik

Author: Sonal Bhandare , Prof. Dr. S. M. Kamalapur

Title of Paper Dense micro-block difference based texture image classification

Organizer cPGCON 17 at Sandip , Nashik

Both Paper having Best Paper award.
