■ Congratulations for Platinum (Highest) in AICTE-CII Survey-2019

For the year 2019, K. K. Wagh Institute of Engineering Education is grouped under Platinum category (Highest) in AICTE-CII Survey of industry linked institutes. This is the third time K. K. Wagh Institute of Engineering Education & Research got the platinum status. K. K. Wagh Institute of Engineering Education & Research is regularly participating in the survey. Every year AICTE-CII conducts a survey of Educational Institutes to know how best Indian professional institutes are linked to industries. This survey is conducted during the month of July to September and results of this survey were declared in the month of November. The objective of this survey is to classify the Professional institutes under three categories : Platinum for highest, Gold for Medium, Silver for Lowest level of Industry -Institute Interactions. This survey is conducted in two phases: Short Survey and Full Survey. For survey we need to submit the data and upload relevant documents as a proof in the AICTE - CII Portal under various parameters like:

1. Governance: Participation of Industry People in the Institute Governance.
2. Curriculum: Like Industry Visits, Industry Expert Talk, MoUs with Industries etc.
3. Faculty: Training of Staff by the industry experts and by faculty for the industry people, patents by Faculties and Students.
4. Infrastructure and labs developed by Industries in the institute.
5. Services/Project & Skill Development Program with industries
6. Placement of students

Highlights of the AICTE-CII 2019 Survey:

1. Number of institutes which participated in Short Survey: 9832.
2. Number of institutes shortlisted for Full Survey: 3842.
3. Number of institutes which participated in

continued on page 3

Full Survey: 714 (Includes Engineering/
Polytechnic/Pharmacy).

4. Around 158 Institutes got platinum (Includes Engineering/Polytechnic/Pharmacy) For Highest Industry Institute Linkages (22%).
5. Around 228 Plus institutes got Gold Status- For Average Industry Institute Linkages (32%).
6. Around 328 Institutes got the Silver- For low Industry Institute Linkages (46%).
